Dear Friends,

Welcome, congratulations, and best wishes on your engagement and upcoming marriage! It is our pleasure to extend the facilities of First Presbyterian Church (FPC) to those who are planning to marry, members and non-members alike. We are proud of the facility that the members of this congregation have been able to create, and we know that those who marry here will benefit from their stewardship and dedication.

As a community of faith, we strive to ensure that everything we do, first and foremost, gives glory to God. Our congregation is a member of the Presbyterian Church (U.S.A.), which outlines a particular understanding of marriage. As such, it is important that all weddings held in our worship space reflect the beliefs of our denomination in regards to weddings and marriage.

We hope that you will take the time to read these pages, which outline our beliefs and policies regarding marriage ceremonies at First Presbyterian Church. If you decide to move forward, please follow the process as outlined on p. 5.

May God bless you in this season of engagement, planning and preparation!

Grace and peace,

Rev. Matt Curry

Foundations for Weddings at First Presbyterian Church

Weddings and Marriage: What We Believe

The constitution of the Presbyterian Church (U.S.A.) defines marriage as:

A gift God has given to all humankind for the well-being of the entire human family. Marriage involves a unique commitment between two people...to love and support each other for the rest of their lives. The sacrificial love that unites the couple sustains them as faithful and responsible members of the church and the wider community.

Further, it stipulates that:

A couple requesting a service of Christian marriage shall receive instruction from the [minister], who may agree to the couple's request only if, in the judgment of the [minister], the couple demonstrate sufficient understanding of the nature of the marriage covenant and commitment to living their lives together according to its values. In making this decision, the [minister] may seek the counsel of the session, which has authority to permit or deny the use of church property for a marriage service. (Book of Order W-4.9000)

At First Presbyterian Church, we uphold the belief that the couple called to marriage are called as equal partners, where no individual is viewed as having rank or primacy over the other. Language concerning submission in marriage is not acceptable as part of a wedding ceremony at First Presbyterian Church.

The Wedding Ceremony: What to Expect

Weddings at First Presbyterian Church follow an order for a Christian worship service and ceremony in keeping with church tradition. While the service can be shaped to reflect the wishes of the marrying couple, the ceremony must remain acceptable to the governance of the Presbyterian Church (USA), the church's governing council (the Session), and the minister.

Weddings conducted at First Presbyterian Church must be conducted by the minister of the church. No weddings will be approved if the minister is unable to officiate. Requests for the participation of ministers in addition to our own will be considered, but requires compliance with our beliefs on marriage, as outlined in the above statements.

Our minister will work with couples to plan their ceremony, including choosing such elements as scripture passages, vows and special rituals or symbols of their marriage.

Weddings at First Presbyterian Church: Members and Non-Members

Both members and non-members must comply with the wedding policies of First Presbyterian Church. For non-members, fees are required to provide fair stewardship for use of our space and the time of participants. For members, there are no fees associated with the use of the building. (For a full list of fees, see page 9.) Members are defined as at least one person in the wedding couple, or their parents, who have been active, participating members at First Presbyterian Church for at least the previous 12 months.

Planning for your Wedding and Marriage

Pre-marital counseling sessions are required of the couple. It is the responsibility of the couple to make these arrangements with the minister at least three months prior to the ceremony. Typically, three one-hour sessions are required, with the final session dedicated to planning the order of worship for the wedding.

Planning Your Event: Our Process

Initial Arrangements:

Conversation about wedding arrangements must be initiated through our church office manager. We suggest you call as early as possible to ensure that your intended wedding date is available. Applicants will need to complete the necessary forms on pages 11-14 of this document and return them to the church office in order to be considered for approval.

Once your documents have been submitted, the church's governing council must approve the event. Please note that it may take up to 30 days to obtain approval from the Session, as they meet monthly. Upon approval, you will be notified and arrangements will be made for you to meet further with our pastor and church wedding coordinator.

Restricted Dates:

We cannot schedule weddings or rehearsals during Holy Week, Easter weekend, the week before or after Christmas, or on Christmas Eve. We will make every effort to accommodate your choice of dates otherwise. Dates will be given on a first-come-first-served basis. There will be no more than one wedding at FPC in any one weekend.

Spaces Available for Use:

Wedding ceremonies are typically held in the church sanctuary, which has an organ, piano, sound system and which holds up to 300 people. Other available spaces include our chapel, which can hold 75, and our prayer garden, which can seat 50. Chairs must be rented from an outside vendor for use in the prayer garden. Space is also available for use prior to the ceremony on the wedding day. Our church wedding coordinator can provide information on those spaces for you.

Reception/Rehearsal Dinner:

The fellowship hall is available for on-site receptions and rehearsal dinners. Your caterer will be responsible for the reception or dinner and surrounding details. The caterer is to provide for all services, including serving, washing dishes, and handling food. Use of the church tables and chairs is included in the fee for the space. All linens, dishes and silverware must be supplied by the wedding party.

Rehearsal:

Unless otherwise scheduled through the minister and the wedding coordinator, all rehearsals will begin promptly at 6:00 p.m the evening before the wedding ceremony. Up to one hour will be reserved for rehearsal. The FPC minister and the wedding coordinator will conduct the rehearsal.

Policies for Weddings at First Presbyterian Church

Required Participants:

The minister of the church will participate in all wedding ceremonies at First Presbyterian Church. No weddings will be approved for FPC if the minister is unable to officiate due to a scheduling conflict.

The minister and Church Wedding Coordinator will oversee the logistics of the ceremony at the church. Any additional wedding or event planners hired by the couple are welcome to attend and observe the rehearsal and furnish assistance to the family on the day of the wedding.

The Director of Music at First Presbyterian Church will provide guidance and approval for all music conducted during the ceremony. Our church organist and pianist will be given priority in providing music for the ceremony. Outside musicians may be included.

The Sound Technician of the church will provide proper amplification of sound for all participants, including the minister and the musicians.

The Custodian of the church will ensure that the space is properly cared for both prior to and following the wedding ceremony. Should cleaning be needed to remove stains or repair furniture, etc., additional fees may be assessed on an as-needed basis.

In the event that any of the above persons are unable to participate on the day of your wedding, the minister or the Session of the church will approve an appropriate replacement.

Security and Damage Deposit:

A security deposit is required by non-members in order to secure the wedding date/time, following approval by the Session. In addition, both members and non-members are required to provide a damage deposit following the approval of session. Both deposits will be refunded when the church passes post-wedding inspection. If, upon inspection, damage is found, payment for those repairs will be assumed by the couple.

Fees:

As an acknowledgment of the time given toward your wedding ceremony, it is expected that all participants receive proper compensation. A full list of fees for members and non-members can be found on page 9. All payment may be given at the wedding rehearsal to the Church Wedding Coordinator, who will distribute them to the appropriate individuals.

Decorations

Decorations for the ceremony are permitted but must respect the space as a regular place of worship. The baptismal font at the center of the nave can be moved only by church staff; the Lord's Supper table may not be moved. During special seasons of the year such as Christmas and Easter, any decorations that the church may be using may not be removed from any area to make room for wedding decorations. This includes the curtain hanging behind the cross, pulpit paraments, banners, Christmas or Easter decorations, or communion ware.

All equipment for decorations must be provided by the wedding party. Flower arrangements may neither be placed on nor obstruct view of the Lord's Supper table. For reasons of fire safety, aisle runners are prohibited. Because of fire code regulations, exits must be left free of decorations. Decorations may be placed on windowsills.

Please refrain from using pins, staples, or cellophane tape anywhere on the pews, windowsills or walls. Masking or painters tape is preferred.

Candles are allowed, so long as they are dripless. Clear plastic mats or cloths must be placed beneath all candelabra.

Photographs and Videotaping:

Photography and videography are to be done in a manner that respects the sanctity of the occasion. Unless otherwise discussed with the minister, photographers and/or videographers must remain stationary throughout the service.

Food and Beverage

Food and beverages are allowed in certain areas of the church building, including the Gardenside Parlor, the Conference Room, the Fellowship Hall (upon approval) and the hallway kitchenette. All spaces must be left as they were found, with any waste being placed in proper receptacles.

Alcohol and Smoking:

Alcoholic beverages may not be consumed anywhere on the premises, including the parking lot. If any member of the wedding party fails to abide by this provision, or comes on the premises in an intoxicated condition, he or she will be asked to leave the church premises, and the security deposit will be forfeited.

Smoking is allowed in the parking area only with disposal of cigarette butts in the proper receptacle. Please: no littering of cigarette butts on the parking lot or on the grass.

Outside Contractors (Florist, Photographer, Videographer, etc)

Attached to this document are written instructions and information for your florist, photographer, and videographer. The couple should distribute these sheets to those involved in the wedding for their information and/or files and keep an extra copy for their own records.

Appendix B

Information Sheet **PHOTOGRAPHER AND/OR VIDEOGRAPHER**

At First Presbyterian Church, we understand that photographs are an important memento of any wedding. We hope that photographers will respect the wedding ceremony as a service of worship.

Before the ceremony:

1. Pictures may be taken in the sanctuary, the parlor, and outside the church.
2. Pictures in the sanctuary and outside should be finished one hour prior to the service.
3. Pictures with members of the wedding party may be taken up to 30 minutes prior to the service.

During the ceremony:

1. No flash pictures may be taken after the wedding begins.
2. The FPC wedding coordinator will assist the photographer and videographer in finding the best location to take pictures.
3. Time exposures are permitted from stationary positions during the ceremony.
4. As much as possible, we ask that the photographer and videographer remain stationary for the duration of the service. For this reason, additional photographers and videographers may be necessary in various places throughout the sanctuary in order to accommodate this policy and the artistic nature of your work.

After the ceremony:

Pictures will be allowed for up to 45 minutes following the wedding service.
